Projects

Portfolio | MERN Stack

- **Modern UI/UX Design**: Implemented a clean and intuitive design with smooth navigation to enhance user experience.
- **Interactive Elements**: Utilized JavaScript to create dynamic elements such as project filtering, animations, and smooth scrolling.
- **Responsive Layout**: Developed a fully responsive interface compatible across all devices, including desktops, tablets, and mobile phones.
- Cross-browser Compatibility: Ensured seamless performance on multiple browsers.

Weather Application | MERN Stack, Tailwind CSS —

- **REST API Integration**: Fetched and displayed current weather data using a third-party weather API (e.g., OpenWeatherMap API), including temperature, humidity, wind speed, and weather conditions.
- **Dynamic UI Updates**: Created a responsive, user-friendly interface that updates weather details based on the user's location or manual input of city names.
- **Geolocation: Integrated browser geolocation API to fetch weather data automatically based on the user's current location.**

Blogpost | MERN Stack —

- Developed a responsive blog app with JWT Authentication.
- Implemented the backend for CRUD operations on blogs, ensuring full functionality for creating, reading, updating, and deleting posts

Sneakers | React, Tailwind CSS —

- Designed and implemented the front-end architecture using HTML, CSS, JavaScript, and React.
- Collaborated with UX/UI designers to enhance user experience and create an intuitive shopping flow.
- Ensured cross-browser compatibility and optimized performance for mobile and desktop users.

Technical Skills

Web Development : Mern Stack
Programming Languages : C++, JavaScript
Tools & Technologies : Rest API ,MongoDB,Express
Version Control : Git,Github

Education

M.I.T Moradabad Institute of technology   **Sep. 2021 – May 2025**
Bachelor of Science in Computer Science   *Moradabad, Uttar Pradesh*

Silver Oak Academy   **April 2020**
12th   *Bilari, Moradabad*
